A Tradition of Service

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The primary responsibility of this program is to better meet the needs of nonviolent offenders suffering from mental illness and/or co-occurring substance abuse disorders.

The Department, in collaboration with the Department of Mental Health, will closely coordinate the proposed program by expanding existing jail therapeutic services.

Implementation of Strategic Plan Goals

This program is consistent with the County's Strategic Plan, Goal 4, Health and Mental Health, by improving the mental health and substance abuse disorders inside jail facilities that can house approximately 19,000 inmates in 8 custody facilities; and Goal 5, Public Safety, by providing services to those incarcerated to address the high recidivism rate of the mentally ill offenders and expand mental health services in the jail to those in need, prior to being released.

FISCAL IMPACT/FINANCING

The term of the program is for a period of 24 months from October 1, 2009, to September 30, 2011.

Funding for the Justice and Mental Health Collaboration Program will be in the amount of \$200,000 which will be fully offset by grant funds. The Department will contribute a \$50,000 in-kind match for a total program cost of \$250,000.

Funding for this program has been included in the Department's FY 2009-10 Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On March 12, 2009, a proposal requesting grant funding to implement BOPS was submitted to BJA by the Department. On September 9, 2009, BJA sent notification to the Department that BOPS was selected to receive grant funding totaling \$200,000.

The Department's BOPS Unit intends to work toward meeting the needs of nonviolent offenders who suffer from serious mental illness and/or substance abuse disorders to successfully transition back into the community.

This Board Letter has been reviewed as to form by County Counsel.
